Blackwell Job Corps Students Donate to Local Community

Laona, Wis. (May 20, 2011)– The Student Government Association along with students at the Blackwell Job Corps Center donated funds to the Northeast Wisconsin Community Action Program or NEWCAP in Crandon, WI. Students at Blackwell wanted to make a difference in the community and felt that NEWCAP did a wonderful job of serving low income individuals in the local community.

On May 20, 2011 Blackwell SGA Officers took food donations along with a check to present to the members of NEWCAP in Crandon, WI. This was an exciting time for the students and the NEWCAP staff were very appreciative of the donations made by the Blackwell JCCCC SGA and student body.

The Blackwell JCCCC is associated with the Chequamegon-Nicolet National Forest. The Blackwell Job Corps Civilian Conservation Center serves 205 students. The USDA Forest Service operates 28 Job Corps Civilian Conservation Centers across 18 states with a capacity of 6,200 students. For more information, visit: <http://www.jobcorps.gov/>

The mission of the USDA Forest Service is to sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations. The Agency manages 193 million acres of public land, provides assistance to State and private landowners, and maintains the largest forestry research organization in the world.

The Blackwell Job Corps Center is located in Laona, WI. For more information on the Center, please call (715)674-2311 or visit the website at <http://blackwell.jobcorps.gov>
